

REMARKS

Claims 5-10 are now pending in this national stage entry under the PCT. Claim 5 is independent. Claims 1-4 have been canceled to eliminate multiple dependencies and to place the claims in better form for U.S. practice.

The Specification has been amended to include optional headings and a brief paragraph describing the drawing figure.

No new matter is involved with any specification or claim amendment.

Applicant notes that the Abstract may be found on the front page of published PCT Application WO 2004/039194.

Applicant respectfully requests consideration and entry of this preliminary amendment. In view of the above amendment, applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 22106-00089-US1 from which the undersigned is authorized to draw.
